

Program Improvement Plan Guidance

A Program Improvement Plan (PIP) provides programs with an individualized guide for continuous quality improvement. Programs create PIPs by looking at assessment data (their own and public), gathering input (perhaps from children, families, and/or staff), and taking into account other priorities. Programs participating in Maryland EXCELS submit a PIP, along with a statement describing their process for developing it, to meet the requirements of Accreditation and Rating Scales (ACR 3) at levels 3-5.

The Maryland EXCELS Program Improvement Plan form is designed to help programs track progress and achieve program improvement goals. On the form, programs identify goals, categories the goals address, strategies for achieving the goals, persons responsible, timelines, and resources needed. As a tool for continuous quality improvement, the PIP should be reviewed on a regular basis and updated annually.

Required Categories

Include at least one goal for each of the following categories:

- **Program Assessments:** The [Maryland EXCELS Self-Assessments](#), [Classroom Assessment Scoring System \(CLASS®\)](#), and [School-Age Care Environment Rating Scale \(SACERS\)](#) are program assessment tools designed for evaluating teacher-child interactions and guiding program improvement.
- **School Readiness** (not required for School-Age Only programs): School readiness means that a child is demonstrating the behaviors, skills, and knowledge that enable him or her to fully participate and succeed in school in the domains of Language and Literacy, Mathematics, Social Foundations, and Physical Well-Being and Motor Development. Use the [Kindergarten Readiness Assessment Reports](#) to see the readiness of children in your community.
- **Accreditation Standards** (levels 4 and 5 only : Programs that are seeking or have met state or national standards of program quality demonstrate additional commitment to continuous quality improvement to benefit children, families, and staff. Visit [Recognized Accrediting Organizations](#) for more information.
