

PROGRAM COORDINATOR CONTACT LIST

The role of the Program Coordinator is to support assigned Maryland EXCELS participants by:

- helping programs navigate the Maryland EXCELS website and system
- facilitating programs' progress
- reviewing all materials and documentation submitted by programs
- asking for additional information, if needed
- rating online profiles according to Maryland EXCELS Standards
- providing additional support through email and telephone

If you are not yet a participating program, or do not know who your assigned Program Coordinator is, or if you have questions unrelated to your online profile, email info@marylandexcels.org.
