

Maryland EXCELS users can add additional program sites to an existing online account to access all programs using the same login.

STEP 1

Access the Maryland EXCELS system at excels.marylandexcels.org and log in using the email address and password created during account setup.

If you have misplaced or forgotten your password, select **Update/forgot my password**.

STEP 2

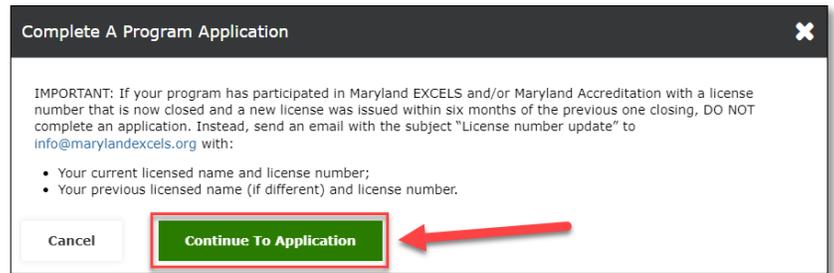

Select the **Complete a Program Application** button.

Tip: If you have multiple sites associated with your account, the **Complete a Program Application** button will be accessible when scrolling to the bottom of your screen.

STEP
3

Select **Continue to Application** and follow the prompts to complete a Maryland EXCELS application.

Additional instructions on submitting an application can be found in the [Applying to Participate in Maryland EXCELS](#) tutorial.

Complete A Program Application

IMPORTANT: If your program has participated in Maryland EXCELS and/or Maryland Accreditation with a license number that is now closed and a new license was issued within six months of the previous one closing, DO NOT complete an application. Instead, send an email with the subject "License number update" to info@marylandexcels.org with:

- Your current licensed name and license number;
- Your previous licensed name (if different) and license number.

Cancel Continue To Application
